Delivered, set up and collected for you. No cleaning required.

## Welcome

The squeals when a jumping castle arrives are the best! Hire a jumping castle and let the bouncing begin. Happy leaps, fearless little jumpers, and that wonderful chaos only a good inflatable brings. Panda Party Hire offers jumping castle hire across Johannesburg, Sandton, Randburg and nearby.

Birthdays, school fun days, family festivals and corporate family events all come alive with jumping castle hire. A safe sturdy inflatable without you buying, storing or maintaining your own castle.

We deliver, set up and collect. You do not need to deflate, roll up or scrub mats when the last child goes home. Our jumping castles are well maintained, cleaned between hires, and anchored properly on arrival.

We inflate and test the jumping castle on site with you, walk you through safety guidelines, and make sure the blower and mats are all working before the kids arrive. Our team is always happy to answer your questions. We want you confident and relaxed, not stressed.

Trust Panda Party Hire to be on time with everything safe and ready. Enquire on Garden Castle, Medium Castle or Castle and Slide Combo below, or contact us for a quote for your venue and guest numbers.

## Hire packages

Choose the package that fits your guest numbers. All packages include delivery guidance, on-site test and tutorial, and collection when your hire ends.

## Why hire with us

Professional delivery, setup and collection for stress-free party fun.

- Safe inflatables
- Full setup
- Blower included
- Safety mats
- Birthday parties
- School events
- Garden hire
- Corporate family days

## Hire extras

### Delivery and setup

We deliver, inflate and pack down across Johannesburg, Sandton and Randburg.

### Safety first

All castles are cleaned between hires and set up on mats with clear usage guidelines.

### Tailored quote

Pricing depends on size, theme and location. Contact us with your venue details.

## How to prepare for the day

Jumping castles need space, grass, power and supervision. Get these sorted before the kids arrive.

### Flat grass area

Measure your lawn and check for slopes, sprinklers, dog holes and overhanging branches.

### Power for the blower

The blower runs all day on a standard plug. An outdoor socket or safe extension lead is

required.

### **Clear bounce zone**

Remove chairs, tables, trampolines and garden toys from the castle footprint and safety mats.

### **Van access**

We need to carry the rolled castle close to the setup spot. Open gates and move cars if needed.

### **Adult supervision**

Assign responsible adults to watch the castle at all times. We do not provide a supervisor.

### **Watch the weather**

Castles cannot operate in rain or high wind. Have a wet weather plan and call us if conditions change.

## **Why hire Jumping Castle?**

### **Energy outlet**

Keeps kids bouncing and laughing for hours.

### **Professional setup**

We inflate, secure and pack down - hassle free for hosts.

### **Sizes available**

Options for gardens, halls and larger venues.

### **Party essential**

The classic hire that never goes out of style.

## **Popular events**

Kids birthday parties, School fun days, Church bazaars, Corporate family days, Community festivals, Sports club events, Carnivals, Estate parties.

## **Delivery areas**

We hire across Johannesburg, Sandton, Randburg and surrounding Gauteng suburbs. Delivery and collection fees depend on your venue address. Tell us your location when you request a quote.

- Johannesburg
- Sandton
- Randburg
- Fourways
- Midrand
- Roodepoort
- Bryanston

Rosebank  
Northcliff  
Bedfordview

## How booking works

1. Request a quote with your date, venue address and guest numbers.
2. Choose the hire package that suits your event, with extras if needed.
3. Confirm your date and receive booking details before delivery day.
4. We deliver, set up and test the equipment with you on site.
5. Enjoy your event while guests make the most of the hire.
6. We collect afterwards. No deep cleaning required from you.

## Safety information

Jumping castles are inflatable play equipment powered by continuous airflow. Incorrect use, overcrowding or bad weather can cause serious injury. Please read this section carefully.

### Essential safety rules

- Adult supervision is required at all times.
- Follow maximum rider numbers and age or weight limits on the unit.
- Remove shoes, glasses, jewellery and sharp objects before entering.
- Do not use in high winds or wet weather.
- Stop use immediately if the blower fails or the castle deflates.

### Supervision duties

A responsible adult must watch the castle at all times. The supervisor enforces rules, manages queues and stops rough play. We do not supply an attendant unless arranged separately.

- No food, drinks or gum on the castle.
- No somersaults, wrestling or climbing on walls.
- Separate very small children from older, heavier children when needed.
- Clear the castle before deflation.

### Weather limits

Inflatables must not be used in rain, thunderstorms or when wind exceeds safe limits. Wet plastic is dangerously slippery and wind can move or tip inflatables.

- Contact us if weather looks uncertain on party day.
- Deflate and stop use if wind increases during your event.
- Never use a wet inflatable.

### Blower and power

- Keep the blower running while children are playing unless we instruct otherwise.
- Keep the blower and cables away from water and foot traffic.
- If the castle starts to lose air, get everyone off immediately and contact us.

## Weather policy and instructions

Jumping castles are inflatable structures powered by continuous airflow. Wet or windy weather creates serious safety risks - we follow strict limits and may require deflation until conditions improve.

### Ideal conditions

Dry, calm days on flat lawns or indoor halls with adequate ceiling height and power are best. The blower must stay running and connected unless we instruct otherwise.

- Dry grass or indoor sports surface
- Stakes or sandbags secure as installed by our team
- Clear zone around the castle - no obstacles or overhead branches
- Constant adult supervision with age and capacity rules enforced

### Wind limits - mandatory

If wind exceeds safe operating limits, use must stop and the unit may need to be deflated. Never allow children on an inflatable in strong gusts.

- Stop use immediately if the castle moves, ripples excessively or anchor points strain
- Do not restart until wind drops and our team or instructions confirm it is safe
- Open hilltops and exposed estates are higher risk - tell us at booking
- Indoor hire avoids most wind concerns if space allows

### Rain and wet weather - no use

Jumping castles must not be used when wet. Rain makes surfaces dangerously slippery and affects blower electrics.

- Deflate or stop use at the first sign of rain unless we advise a covered indoor move
- Do not allow children on wet vinyl
- Contact us for reschedule options if your outdoor party day is a washout

### Morning-of decisions

Johannesburg summer storms often build in the afternoon. If morning weather is poor, contact us early - we can delay setup, move indoors where feasible, or discuss postponement.

Contact us as early as possible when weather may affect your hire. Your booking confirmation includes phone and message details for the day. We prioritise safe use of equipment and fair solutions for Johannesburg, Sandton and Randburg events.

## Frequently asked questions

### Q: How do I get a price for jumping castle hire?

Contact us with your date, full venue address, grass or surface type and how many children will attend. We recommend a castle size and send a tailored quote.

### Q: What is included in a jumping castle hire?

The inflatable castle, electric blower, extension lead, ground stakes or sandbags, safety mats, inflation, safety briefing and pack down. Pricing depends on castle size

and theme.

**Q: How much space do I need?**

Typically at least 4m x 4m for a standard castle, plus safety clearance on all sides. Larger castles and slide combos need more room. We confirm when you enquire.

**Q: Does the castle need electricity?**

Yes. The blower runs continuously and needs a power point within reach of the castle.

**Q: Can the jumping castle go on grass?**

Flat lawn is ideal. We anchor with stakes or sandbags and place safety mats around the unit.

**Q: Can I set up a jumping castle indoors?**

Yes in a hall with enough ceiling height and floor space. Send us the hall dimensions and we will confirm suitability.

**Q: Is adult supervision required?**

Yes, always. An adult must watch children on the castle at all times. We do not supply a supervisor.

**Q: What happens in windy or wet weather?**

Inflatables cannot operate in high winds or rain. Contact us if weather looks uncertain. We will advise on safety limits and rescheduling options.

**Q: Are there age or weight limits?**

Yes. Each castle has capacity guidelines. We explain these on delivery. Generally suited to primary school aged children unless stated otherwise.

**Q: Do you deliver, inflate and collect?**

Yes. Full setup and pack down are included in your quote.

**Q: Which areas do you cover?**

Johannesburg, Sandton, Randburg and surrounding areas.

**Q: How do I book?**

Hit Book now or contact us with your event details for a quote.

## Equipment care on the day

We deliver clean, tested equipment and show you how to use it safely. You do not need to deep clean or service the machine during hire. Contact us on the day if anything does not work as expected. Keep equipment in the agreed setup area ready for collection. Switch off and secure equipment if weather makes use unsafe.

## Often booked together

Customers often pair jumping castle hire with: Soft Play, Sound System, Bubble Machine. Ask us about combo bookings when you quote.

# Ready to book?

We deliver, set up, test with you and collect afterwards.
